BISTRO

Sabor Do Ser

We provide a unique gastronomic experience, based on the concepts of wellness and mindful eating, which values and cares the body as a true sacred temple.

Our dishes are carefully prepared, considering the seasonality of the ingredients and its properties, to guarantee balanced and nutritious meals, always prepared with love and dedication

We value the power of mindful eating to nourish the body and warm the heart. We believe that real food is an essential source of energy and wellness.

Templo Do Ser is a sacred and non-profit place that aims to connect people with nature and their divinity.

All revenues are fully reapplied in the space maintenance. The only result that we seek is the transformation of whom participate of our retreats and experiences.
